
Automatic Recurring ACH Payments

Automatic, recurring ACH payments will automatically pay all outstanding charges each month, which may vary. In addition to your monthly rent, any additional amounts, charges, fee or fines you incur per the terms of your lease, will be automatically paid in addition to your monthly rent. For example, these additional amounts may include, but are not limited to, such items as maintenance requests for which you are responsible, HOA violation fines, etc.

By enrolling in automatic recurring ACH payments through Resident Easy Pay, you hereby expressly consent to and authorize the monthly automatic payment of your monthly rent, and any additional outstanding amounts due and owing at that time, per the terms of your lease.
